

SCARBOROUGH COULCIL CHAIR HOLBROOK IS MAD AT SPD OFFICER SCOTT VAUGHN

CHAPTER 66

November 2, 2015

By Editor:

Sources report that Officer Scott Vaughn stopped Holbrook for perhaps a traffic violation, we haven't received an answer to our FOAA request.

So what does Holbrook do about any cop in Scarborough that has the temerity (that word is for my buddy Andy Flynn) to stop her, the Chairperson of the Town Council, what every other lowlife does that gets their finger in the pie of power, she wants him fired? She openly says she hates him and asks her customers if they know any "dirt" on him.

You might wonder how FTM would know about the stop, the officer's name, and Holbrook desire to fire him? Sources in her barbershop listen to her blab on and on about how she's going to have him fired.

The Scarborough Town Council is led by a no class lowlife barber. What's wrong with voters in Scarborough?
