

# **MOULTON RUNNING A HEROIN REHAB EFFORT IS THE ABSOLUTE HEIGHT OF HYPOCRACY**

## **CHAPTER 64**

Moulton's past horrendous misconduct keeps giving birth to one hideous outcome after another from a life and career of sociopathic conduct that you see in criminals that get them jailed.

Moulton, while a school resource officer, and married to wife number one, was dating an UNDER AGE senior at Scarborough High. When she graduated and turned 18 he made her wife number two. What happened to Moulton, he was eventually promoted to captain?

Moulton, while captain, was at an underage drinking party where sources report he tried to entice Megan Maietta to take her clothes off and get in the hot tub with him. What happened to Moulton, he was eventually promoted to Chief?

Moulton, while chief, protected Jason Fowler from O.U.I. convictions either volunteering or at the behest of Fowler's father, a friend of Moulton.

Moulton, while chief, protected Andy Cusack from a complaint, by Sean Caisse of drugging and raping him and another young man.

The outcome of just these three items is as follows:

1. Megan Maietta is dead at 31 of an overdose of heroin. Could it have started when she was 14, getting drunk at an underage party, and with the old perv Scarborough police captain trying to get her naked in the hot tub?
2. Jason Fowler is dead at 31 of a vehicle crash. Could it have started when he had all those O.U.I. arrests reduced or dismissed by Moulton or by Moulton's minions at his direction?
3. Sean Caisse at 31 is alive and facing decades in prison for beating the man that drugged and raped him, and who knows maybe even Jason

Fowler, or for that matter how many other victims that Moulton turned a blind eye on to protect his friend, Andy Cusack.

Finally, FTM has been told that Moulton is friendly with one of the largest heroin dealers in Southern Maine, a career criminal that has never gone to jail as a dealer. One source speculated that Moulton is either on the take or has turned this man as a C.I., like a Whitey Bulger.

**What does this say about the corruption of the Town Council, the Town Manager, and the credibility of the entire Scarborough Police Department? What does Moulton have to do to get fired? Because we know it's not the three items above.**
